

IMPORTANT NOTICE

Effective Immediately March 24, 2020, due to the declared public health emergency related to the Covid-19 Coronavirus in person home fire inspections have been suspended to help prevent the spread of this virus. However, until further notice any Beverly Resident requiring a home inspection is to fill out an [Application and Certification In Lieu Of Inspection Form](#) and return it to either address given below with the required payment (see www.beverlycityfire.com/fire-marshal). Once the application and certification has been received and processed the home inspection certificate will be mailed or emailed to the owner or person who filled out the affidavit. Please note that local government offices are operational but are temporarily closed to the public.
